

APR 1978

Honorable Clement J. Zablocki, Chairman
Committee on International Relations
House of Representatives
Washington, D.C. 20515

Dear Mr. Chairman:

Thank you for the opportunity to comment on H.R. 10691, the International Development Cooperation Act of 1978, which would effect changes in the foreign economic aid program.

Because the bill is of direct concern to departments and agencies outside of the Intelligence Community, I will defer to those agencies more directly affected.

The Office of Management and Budget has advised that there is no objection to the submission of this report from the standpoint of the Administration's program.

Sincerely,

[Redacted Signature Block]
